

INFINITE

INFRAME COLLECTION

A close-up photograph of two polished metal door handles on a white cabinet door. The handles are oval-shaped with a central stem and a decorative base. The lighting is soft, highlighting the metallic sheen and the clean lines of the hardware. The background is a plain white surface, likely the cabinet door, with a subtle shadow cast by the handles.

INFINITE

INFRAME COLLECTION

The finest collection of beautiful inframe kitchens meticulously crafted from the most suitable timbers. Different textures and design options are offered in a range of carefully chosen colours.
